

SPRING SEWING for SUMMER SOARING II **May 11 – 12 – 13, 2012**

Planning for our second **Spring Sewing for Summer Soaring** kite making retreat is going well. This year we have booked a new instructor, Don Lord. Don joins returning instructor Paul Horner to present two unique kite making sessions. Friday's session will be a treat for those who don't sew. Wayne and Cathie will be teaching Dana Ingles' designed indoor glider made out of Mylar.

CLASS DESCRIPTIONS

Friday May 11
1:00 P.M. to 5:00 P.M.

WAYNE PATTISON & CATHIE JUNG

Indoor Glider on a Stick (no sewing required) Cost: \$10

Wayne and Cathie will present this unique indoor kite made out of Mylar. This kite is a breeze to make, and fun to fly indoors or outside in low to no wind.

Saturday, May 12
8:30 A.M. to 5:00 P.M.

DON LORD

Pearson Roller Kite (sewing required) approx.cost: less than \$80.00

Don Lord (originally from Ottawa) has made many kites and we are lucky to have him in our Club. The Pearson Roller Kite that Don's students will be making is a very stable kite that does best in low wind. It measures about 5 ft. X 4 ft. If time permits, Don will also give a short lesson on his unique way of doing an appliqué technique (as on his B.C./Canada design kite). This class is best suited for the intermediate to advanced kite maker and may require a day and a half to complete. All material will be precut, ready to assemble.

Pair of Pearson
Roller Kites

Saturday, May 12
8:30 A.M. to 5:00 P.M.

PAUL HORNER

Cody Kite or Eddy Kite (sewing required) approx. cost Cody \$65 to \$85 Eddy \$40

Paul's class last year was a big hit for those that tackled his rokkaku. He is back again and this time he is proposing **either** a large scale Cody kite **OR** an Eddy Kite, whichever the majority would like. The Cody kite is approximately 40" high and 60" across. This is an 8 to 10 hour sewing project. The alternative to this project is a large Eddy kite.

To prepare his materials Paul needs to know which kite his students have selected. Please inform Wayne Pattison of your preference by March 31, 2012. Wayne will inform Paul of the kite selected by those planning to take the class.

Cody Kite

Eddy Kite

Sunday, May 13
8:30 A.M. to 1:00 P.M.

The classrooms will be open on Sunday for anyone who wishes to complete their project

REGISTRATION AND OTHER INFORMATION

To attend the Spring Sewing for Summer Soaring Kite Making Session, select your classes and **register by March 31, 2012**. A schedule of events is included on the next page. Registering early gives the instructors time to prepare materials for the number of students they will have in their class. As well, to ensure accommodation for everyone a total of participants by April 1, 2012 are needed. **Full payment is required prior to the first class on May 11, 2012.**

The total cost for the weekend will be \$165.00 **plus the cost of the kite(s)** that you will be making. Lunch for Saturday and Sunday and dinner on Saturday are included in the meal plan.

Friday evening, drop in at Wayne and Jennifer's for a burger and/or hotdogs and beer. A light breakfast can be made in your room as all accommodations booked have some kitchen facilities so no breakfasts are included in the meal plan this year.

Conference Room Fee	\$40.00 for BCKA Members \$50.00 for Non-Members
Accommodation Fee (Per person, based on Double Occupancy Rooms)	\$100.00 (for two nights)
Meal Package (2 Lunches & 1 Dinner)	\$25.00

Wayne and/or Jennifer and/or Dale Pattison will transfer to and from the Nanaimo ferry any guests who wish to come as a 'walk on' passenger. For information regarding ferries, driving directions or other venue concerns please contact Wayne Pattison.

For those wishing to find their own accommodations, the Community Centre is located in the downtown area of Parksville about 4 blocks from the beach where the Kite Festival is held each year.
